

Instructor Certification Training Program

The very first Wuji Hundun Instructor Certification Training took place in June 2018 in Warsaw, Poland. Francesco, with his wife Ambikha Devi, offered this 5-day intensive to 18 instructors who passed the pre-requisites necessary to join the course. Most had been learning from Francesco for years and all were existing Qigong Instructors in various forms. This training includes a three-month follow-on Self Assessment and Mentoring period with Francesco and Ambikha that culminates in receiving a document acknowledging they have achieved the level of Certified Instructor.
